3. Each video should be no more than 2 minutes in length and must be related to the activities of CIIFT 2018 only.
4. Videos must be family friendly.
5. Videos may be raw footage or edited. (If music is used in editing, teams must ensure that they have authorisation to use such music)
6. Videos should be submitted in **MOV** or **MP4** formats
7. Video quality should be a minimum **1080 P**
8. All videos submitted must have a file name that includes the fishing team name and the date of fishing that it covers.

Videos will be assessed by a panel of judges and the winner will be announced as part of the prize giving ceremony.

Videos will be judged on the following criteria:

1. Fishing action/fun factor
2. "Viewability"
3. Storytelling factor
4. Overall quality

The Cayman Islands Angling Club reserves the right to use submitted videos without requiring further authorization on its website and in other promotions, in furtherance of the Club's work.
